

# OLD ENGLISH NEWSLETTER

**Note our new address:** with Volume 40, the *Old English Newsletter* moves its publishing center to the Department of English at the University of Tennessee, Knoxville. As it enters its fortieth year *OEN* will strive to continue to offer the same mix of useful news, reports, ideas and resources for Anglo-Saxon studies it has been providing since 1967, including the annual *Bibliography* and the *Year's Work in Old English Studies*.

**Subscription rates:** Subscriptions may be placed by mail or fax. The rate for institutions is \$20 US per volume, current and past (except for Volumes 1 and 2, which are sold as one). The rate for individuals is \$15 US per volume; in order to reduce administrative costs we ask individuals to pay for two volumes at one time at the discounted rate of \$25 US. Individual back issues may be ordered for \$5 US each; supplies are limited. Please address any questions or special orders to the publisher at 865-974-6970 or via email at [subscriptions@oennewsletter.org](mailto:subscriptions@oennewsletter.org).
